

## **SAVING LIVES AT SEA**

COASTGUARD receives no direct government funding. As a non profit, volunteer run, community funded, and sponsored organisation, we rely heavily on the goodwill of others. To ensure our volunteers have the resources to operate effectively please give generously and help us to Save Lives at Sea.

### **Corporate Support**

A corporate partnership with COASTGUARD can benefit your company in many ways - and helps to save lives at sea.

You can gain access to new audiences regionally and nationally, stand out from your competitors and demonstrate corporate social responsibility. You will also be able to inspire and motivate your staff.

### **Sponsorships**

Strong, relevant relationships can be forged between your company brand and COASTGUARD through a huge selection of sponsorship opportunities.

Sponsorship packages can be tailored to meet your organisation's business objectives. Please contact us directly to discuss your personal opportunity.

### **Gifts or Services in Kind**

The work of COASTGUARD is wide and varied and, as such, gifts and services in kind can be very valuable. This may include raffle or auction prizes or donation of services or materials to be used by the COASTGUARD Rescue service. If you wish to forge a relationship with us, we would like to hear from you.
